Policy Info:

1. Scholarships/discounts: We have limited scholarships available. There are two criteria for requesting scholarships: 1) the student must have a verifiable financial hardship, and 2) scholarship requests must be made before the early enrollment deadline for the class in question.
2. Continuing Education: All live classes receive CE credit for MFT's, LCSW's, and BRN's. OINC has applied for CE credit approval for audio classes from the MCEP for psychologists, and the BBS/BRN for other professionals. New CE certificate fees for 2012 = \$20.

Please read additional OINC policies outlined in our Agreement, downloadable from our website.
